

Yoga & Adventure Retreat

MALTA

October 23-30, 2026

A Shanti Yoga Retreat

Join us for a 8-day
Yoga and Adventure Tour
in Malta

Between the deep sapphire of the Mediterranean and the honey-hued limestone of ancient fortresses, Malta is a tapestry woven from 7,000 years of history. As the summer heat softens into a golden October embrace, the islands offer a sacred space where prehistoric temples and rugged cliffs meet the stillness of the sea.

The experience is anchored in the vibrant local culture, where Sicilian soul meets North African spice. You will find yourself lingering over crusty sourdough rubbed with sun-ripened tomatoes and olive oil, artisanal sheep's cheese, and the seasonal sweetness of fresh figs and pomegranates. It is a land of movement and antiquity, inviting you to breathe with the salt air and explore the hidden grottoes of this limestone paradise.

Join us for this exciting adventure as we explore the lineage and living history of these ancient islands.
